Sir,

In inviting a reference to the subject stated above, I have the honour to state that S. K. Roy College (affiliated to Assam University, Silchar) is a mono-stream (Arts) College located at Katlicherra in the Hailakandi District of Assam. Since its inception, the College has been working for the betterment of students from rural background. Over the passage of two-and-a-half decades, the College has upgraded its standard of education and infrastructure through the involvement of its IQAC cells, an ever-active GB, an agile alumni association, and co-operating guardians. In order that we achieve greater heights in imparting quality education and playing the vital role of nation building and contributing to the progress of the society, it would be worthwhile for both your institution and ours to go for a collaborative process through faculty exchange, resource sharing, facility exchange, student exchange, student sharing, etc. An Institutional Tie-up, I think, would greatly enhance the overall development of the students of the two colleges.

Thanking you with regards, and expecting to have a vital collaborative venture with your Institution,
